

Mrs. Laura S. Webb,
Vice-President Woman's Democratic Club of Northern Ohio.

"I dreaded the change of life which was fast approaching. I noticed Wine of Cardui, and decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax."

Female weakness, disordered menses, falling of the womb and ovarian troubles do not wear off. They follow a woman to the change of life. Do not wait but take Wine of Cardui now and avoid the trouble. Wine of Cardui never fails to benefit a suffering woman of any age. Wine of Cardui relieved Mrs. Webb when she was in danger. When you come to the change of life Mrs. Webb's letter will mean more to you than it does now. But you may now avoid the suffering she endured. Druggists sell 81 bottles of Wine of Cardui.

THE WELLS BLOCK. HOME OF THE JASPER NEWS.

The above is the first of a series of pictures of a local nature which we hope to present to our readers from time to time. Our picture for this week represents the Wells Block, and is the home of the "Jasper News." The building is owned by J. K. Wells, and is one of a number of substantial buildings which have taken the place of the row of unsightly frame buildings which were destroyed by the big fire of 1893. The "News" occupies the west room of the upper story. The lower story is occupied by J. N. Squier's Racket Store and Mrs. Bryan's Millinery store.

Our Mother.
In memory of Mrs. VanDusen.
Our good, our cherished Mother,
We know that thou art gone.
Into the silent grave beneath the cold,
cold ground,
We know, we laid thee down.
No Mother's hand to guide us no more,
No Mother's voice we hear
No Mother's smiling face we see,
Our lonely heart to cheer.
Sweet Mother ours, couldst thou look down,
From thy bright home above
And see the hearts of those who mourn
The loss of thy true love.
Thou couldst see on memory's tablet there
Thy name in diamonds set
Which brighter grow from day to day
Encased in true Love's cabinet.
But Mother dear we will not wish
That thou might come to us
For thou hast ended all thy pain
And art from sorrows free.
We know that thou art happy now
In that bright world above.
For angels love thee on their wings
To thy Redeemer, God.
We will strive to meet thee there
When all our toils are o'er
And join with thee in praise to Him
On Canaan's blissful shore.

In Memory Of Little Bessie Carns.
Budded on earth to bloom in Heaven,
In the quiet little churchyard,
There is now a new made mound.
And the form that was so cherished,
Has been laid beneath the ground.
But yonder in the portals
That are shining very fair
Little Bessie now is sheltered.
By the Savior's loving care.

More Riots
Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed, by Webb Bros.

A Remarkable Case
One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I run down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength" by E. I. LAUDERBAUGH.

Enclosed find postoffice order for \$1.00. Send me a large bottle by Southern Express." Sold by E. I. LAUDERBAUGH DRUG CO.

HER FRENCH MISUNDERSTOOD

The Tragedy of a Blacking Bottle in the Latin Quarter of the French Capital.

She was spending her first month in the Latin quarter of Paris. She spoke English fluently, with a Boston accent; also she spoke German, could make a fair stagger at Italian and knew a few words of Hindostanee, but of French not a syllable, relates the New York Tribune.

One morning she found herself in a wrestling match with a bottle of French shoe blacking. The peaky bottle, understanding that it had to deal with an alien, refused to give up its cork. She had no cork-crow of her own and did not know how to ask for one, even if she dared suspect that her next-door neighbor might be possessed of the luxury. The time of her pet fork she had bent on the obstinate plug, the point of her best penknife she had broken off short, and nothing remained except to throw the bottle out of a window to get at its contents. She decided, as a last resort, to try breaking the neck of the bottle. With a "stove lid lifter" she administered several cautious taps in the region of the jugular of the obstinate neck. "Nothing doing." Then she tapped harder still, and the blacking came. All over her fingers it came, all over her light wooden skirt, and over much of the floor and window sill.

She decided to have the skirt cleaned, and, packing it into a bundle, tripped off to an establishment where she found embarrassment because she could not understand questions. Finally she got the drift of the conversation. The cleaners wanted to know what had caused the spot. Fortunately, a bottle of shoe blacking was standing near by, and she pointed at this and "coid" and "coid" until she left in heightened spirits, feeling that she had made the cleaners understand. When the skirt was duly returned the following week it was dyed black.

COLONIZATION OF THE SOUTHWEST.

Aid And Inducements Offered By The Missouri Pacific Railway.

The Missouri Pacific Railway is bending every effort towards developing the agricultural, mineral and industrial resources of the West and Southwest. To attain this end, it asks the aid and cooperation of every farmer, miner, merchant and professional man along its lines.

The development of the products of any section of the country means just so much more capital to be spent in that section. Prosperous neighbors make a prosperous community, especially if they live and have their interests at home.

It is in this class of persons that the Missouri Pacific Railway asks the patrons along its lines to invite to their sections.

You furnish the names and addresses, and we will furnish the necessary descriptive and illustrated literature to induce them to settle in your community.

We wish to colonize the West and Southwest, and offer every inducement in the way of excellent transportation facilities and low rates to all prospective settlers and homeseekers.
